

Tire Business

We are building a global production and sales infrastructure in Japan and throughout the world.

Toyo Tire manufactures tires in five countries: Japan, the US, China, Malaysia, and Serbia, we have begun building a global tire sales and supply infrastructure through such initiatives as establishing sales subsidiaries in critical markets in North America, Europe, China, and Southeast Asia.

In the U.S., the biggest tire plant in Toyo Tire Group, TOYO TIRE NORTH AMERICA MANUFACTURING INC., started operation of the second step of Phase V of the production capacity expansion in August 2021.

At TOYO TYRE MALAYSIA SDN BHD in Malaysia, serves as a global hub supplying markets around the world, including not only Southeast Asia but also North America, Europe, and Japan. In July 2022, TOYO TIRE SERBIA D.O.O., the Company's first tire production site in Europe, operations began in Serbia. The new plant is due to with a capacity of five million tires per annum (based on tires for passenger vehicles) in the second half of 2023.
