Automotive Parts Business

Toyo Tires is fortifying our development, production and sales infrastructure as we aim to expand strategic businesses in growth markets.

In order to optimally supply car makers with anti-vibration rubber for automobiles, we have established production plants in three countries in North America and elsewhere in addition to three plants in Japan to meet our customers' needs. With the car market continuing to grow in Asia, from 2013 we began sales of anti-vibration rubber for automobiles in Thailand, and will also began sales from 2014 in Mexico.
