

TOYO TIRE Group established Global Anti-corruption and Anti-bribery policy and commenced operations.

Please see here for more information: [Global Anti-corruption and Anti-bribery policy](#)

TOYO TIRE Group strives to ensure fairness and transparency in all its business activities. We recognize that if acts of corruption and/or bribery are discovered, there is a risk of not only a large financial penalty and detention of the perpetrator concerned, but also a risk of causing serious damage to the goodwill of the Group among its suppliers, business partners and society. As one of the corporate social responsibilities of the Group, we will work to prevent corruption and bribery.
